To Whom It May Concern:

This letter is on behalf of patient Adolphus Gary, DOB 5/3/01. Adolphus was diagnosed with ALL (Acute Lymphoid Leukemia) in June 2014 when he was 13 years old. He immediately started treatment for this aggressive type of blood cancer. He is currently in treatment at Joe DiMaggio Children's Hospital.

Adolphus's mom is the primary caretaker to Adolphus and his 3 siblings. Tiffany, Adolphus's mom, recently had a major financial setback fixing her car recently to ensure that she could get Adolphus to all of his medical appointments. The family is in great need of assistance with helping her to pay her rent and or basic living expenses such as food cards, gas cards, Wal-Mart cards, etc. Any help is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Samantha Utts". The signature is written in a cursive style.
