Susan Renneisen, Vice President of Community Affairs and Special Events

"Congratulations on another outstanding Fancy Jeans! This truly is the party event of the season in South Florida! Our families at JDCH and all the other hospitals you work in are so blessed to have you! I cannot think of any cons about Fancy Jeans and it is all pros other than maybe raising the prices to make more on the bottom line! KEEP UP YOUR GREAT WORK!! All the best."

Don Eachus, Director of Development

"The JJCCF provides emotional and financial support in ways that no other entity can do. Sandra Muvdi is such a caring, motivational leader and fund-raiser. It is my honor to be associated with the "Jessica June Children's Cancer Foundation" through my sponsorship of multiple families to date. We continue to be involved with the JJCCF galas and fundraisers. The opportunity to know that my donation is going directly to these families is incredibly rewarding."

Patrick Daoud, Owner

"What a great evening last night! This event always amazes me. I ran into so many people that I knew and everyone raved about the fun party."

Lacey R Brisson, Senior Retail Leadership & Development Instructor

"Breakthru Beverage has been a proud sponsor of the Jessica June Children's Cancer Foundation Fancy Jeans Party since 2008. JJCCF supports such a wonderful cause, one that touches each and every person who is involved. As a supporter, we quickly gained an understanding of how our donations were being used and the impact of what they meant. We are delighted to be associated with such a committed charity, and look forward to being involved in its continued growth."

THE WASIE FOUNDATION

A Philanthropic Legacy

"The Jessica June Children's Cancer Foundation fulfills a vital need for the people of South Florida. From the tragic loss of Jessica, has grown a world class organization that represents hope, love and promise for children in need who are fighting for their young lives. Sandra Muvdi, and the Foundation she created single handedly, provide inspiration to the people of our community. It is both an honor and privilege for The Wasie Foundation to stand shoulder to shoulder with the JJCCF as it serves the children of South Florida."
