In Essence...

The Jessica June Children's Cancer Foundation, through partner hospital referrals, provides financial assistance to underprivileged children with cancer who are in medical and financial crisis. JJCCF is a nonprofit IRS approved 501(c)(3) public charity, and has only a volunteer working staff.

Children JJCCF Assisted During 2006:

Alejandra Posada
Leukemia
4 years old

Mother's Testimony: "I want to thank God for allowing us to know about JJCCF. I wish people could understand the monetary and emotional problems coming from having a child with cancer. I invite you to join this Foundation so you can help other families like mine going through crisis."

Bekkie Floriana
Leukemia
7 years old

Mother's Testimony: "My family is extremely grateful to JJCCF. Without the rental assistance we would have been looking at an eviction and court costs."

John Hoffmann
Leukemia Relapse/ Bone Marrow Transplant/Brain Tumor
12 years old

Julian Hernandez
Leukemia Relapse
10 years old

Cassandra Fleurimond
Non-Hodgkin Lymphoma
9 years old

Father's Testimony: "We are happy and grateful with the Foundation".

Richard Gager
Leukemia
3 years old

Adoptive Mother's Testimony: "I am very thankful for the generous help the foundation has offered my family. Being a single disabled mother (also a Grandmother) to small children is a challenge. I encourage everyone who can, to please give to JJCCF. It really makes a difference".

Brenertt Onetti
Leukemia Relapse/ Bone Marrow Transplant
8 years old

Parents' Testimony: "Donors should continue supporting this foundation given it is transparent, there is a lot of dedication and most importantly there is "love" for fellow mankind. We appreciate all the support JJCCF has given us, and the fact that it has raised additional funds exclusively for our benefit".

Luis Sanchez
Brain Tumor
8 years old

Mother's Testimony: "This has been the only foundation that has taken the time to help us out in so many ways".

Jesus Molina
Renal Cell Carcinoma
12 years old

Mother's Testimony: "With your generous contributions my son will be able to continue taking an experimental drug that will give him hope. I hope that you will continue helping other children who need help like my son so that their lives may be saved."

Dylan Jesky
Brain Tumor
1 year old

Mother's Testimony: "Thank you JJCCF for your generosity during this horrible time in our lives".

Jordan Robinson
Leukemia
5 years old

Single Mother's Testimony: "Our family of 4 receives Medicaid, Social Security and Food Stamps, but we still can't make ends meet. Thank you JJCCF for stepping in to help us out".

Crystal Ester
Leukemia
15 years old

Single Mother's Testimony: "Thank you for helping me and making a difference in my life so that my kids and I can have a home. May God bless you all and please keep us in your prayers through these difficult moments."

Catherine Hugo
