JESSICA JUNE

Children's Cancer Foundation

On September 18, guests crowded into Vibe Las Olas with one thought in mind: beating cancer together. The Jessica June Children's Cancer Foundation hosted its 10th anniversary party as part of a campaign to raise \$200,000 in 200 days. The sold-out event raised more than \$90,500 alone, with 100% of the proceeds going to local children battling cancer. Stunning dancers in head-to-toe gold mesmerized guests as they moved to the beat of Bollywood-inspired music. Attendees took the GO-GOLD challenge of having their faces painted by a professional artist in support of raising awareness for childhood cancer.
