

I would like to recommend **Cameron Trower's family** for your advocacy Program. Cameron is a 5 year old with known diagnosis of Rhabdomyosarcoma of the Spine.

Cameron just completed chemotherapy and is now following up monthly to ensure he remains cancer free. Cameron's Mom, Crystal is working and also attending school to earn her GED. Since Cameron was diagnosed Crystal was forced to move in with her parents so she could continue to work part-time and attend school and have Cameron's Grandparents to help provide the additional financial support they needed during Cameron's treatment and frequent hospitalizations. Cameron's Grandfather provided the majority of the financial support for the family while Cameron's Grandmother assisted Mom care for Cameron and his older sister, Ariella. However, due to the frequent trips to the hospital during treatment the only having one car Grandpa lost his job. Currently, Crystal is still working part-time and attending school so she can complete her GED so she will be able to provide for her family. Both of Cameron's Grandparents are also looking for work to help provide for the family however, they have been unable to secure employment which has resulted in the current financial crisis they find themselves in now. They could use some assistance with Rent and Basic needs such as assistance to pay utilities.

Kids Cancer Foundation, Inc.  
246 Royal Palm Beach Blvd.  
Royal Palm Beach, FL 33411

Any assistance you can provide for this family to help with the enormous financial burden they are now is facing would be greatly appreciated.

Please do not hesitate to contact me if you should need any further information.

*Yours truly,*

*Michelle O'Boyle, RN, CPON*
