RE: Emily
DOB: 07/01/2008
MR: 01136821
DX: Brain Tumor

Dear Jessica June:

Emily is a seven year old female with recurrent metastatic posterior fossa ependymoma with secondary central hypoventilation BiPAP and is oxygen dependent and g tube dependent. Patient is currently receiving chemotherapy treatment. Family is in need of financial assistance and would like to apply for the Advocacy program. Mother expressed some needs with day to day expenses; like food and gasoline. Please consider helping this patient through the Advocacy Program.

Sincerely,

A handwritten signature in blue ink, which appears to read "Amanda K. Treadwell".
